

Egg box animal masks

What you'll need:

Egg carton
Acrylic or gouache paints
Elasticated string
Thick paper for the whiskers
Scissors
Brushes
Glue

1. Cut the egg box into sections. You can use both the shallow and pointy parts for different

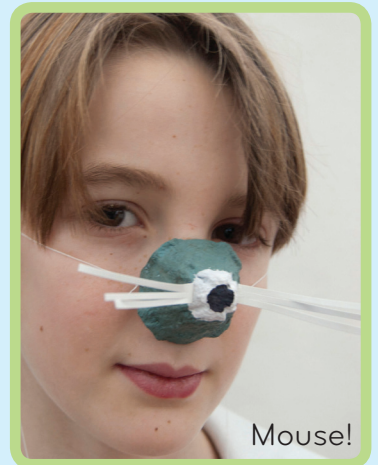

2. Paint each nose and when dry, draw on details like nose, nostrils and teeth with a pen.

3. For animals with whiskers, use the thick paper to cut them out. Then glue them onto the nose.

4. Prick a hole on each side of the nose. Then thread the string through and tie it in a knot.

Can you think of any other animals to make?
