

Let's make a marshmallow catapult!

What you will need to build your catapult:

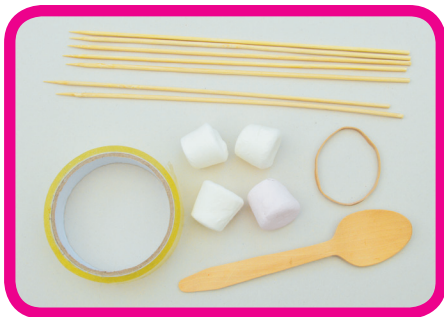

4 big marshmallows

6 skewers

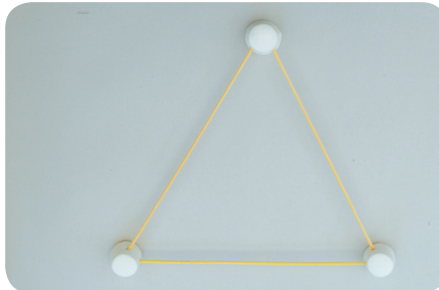

1 thin rubber band

1 plastic or wooden spoon

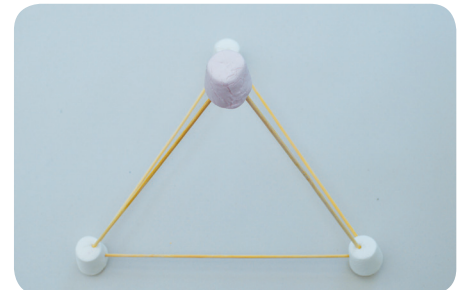

sticky tape

Ready!

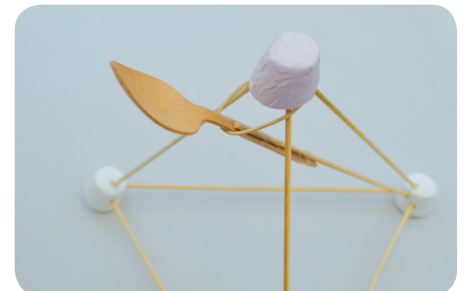

1 Make a triangle with 3 marshmallows and 3 skewers

2 Use 3 more skewers and 1 marshmallow to form a pyramid

3 Tape a spoon onto a skewer

4 Loop the rubber band around the top marshmallow, then insert the spoon skewer through the rubber band and stick it into a marshmallow on the base.

Fire!

Ammunition:

Mini marshmallows, breakfast cereals or small sweets.
